

Three Hearts Farm

CSA Membership 2013

What is a CSA Membership?

Community Supported Agriculture is a partnership of mutual support between a farmer and their community-neighbors supporting neighbors. You buy a “share” of the farm in the spring and in return you receive a weekly delivery of sustainably grown vegetables throughout the growing season.

We have two different options available for 2013-

Option #1: The Full Season CSA

Feeds a family of 4 or 2-3 veggie lovers from the beginning of summer well into the fall. Subscribers to this option really cash in on the fall harvest when you get larger quantities of hardy storage crops and greens that are unavailable locally at the grocery store.

- Season- 20 weeks (June 11-October 22)
- Size- share usually includes 7-10 different veggies
- Sample Share- Mid-July: romaine lettuce, green cabbage, kale, broccoli, tomatoes, garlic scapes, cucumbers, snap peas, beets
Early-October: spinach, kale, radishes, winter squash, onions, beets, carrots, potatoes
- Cost- \$600 (\$30/week)

Option #2: The Summer Standard CSA

Same as The Full Season without the extra fall crops.

- Season- 16 weeks (June 11-September 24)
- Size- share usually includes 7-10 different veggies
- Sample share- same as Full Season CSA mid-July: romaine lettuce, green cabbage, kale, broccoli, tomatoes, garlic scapes, cucumbers, snap peas, beets
- Cost- \$480 (\$30/week)

SHARE PICK-UP

This is where things get fun. We have two different options for how you will get your veggies every week.

The Hands-on Option:

Every Tuesday afternoon, between 3 pm and 6 pm, you will come out to the farm (in between Bozeman and Belgrade at 2111 Love Lane) to pick up your share. Most of the crops will be picked already, awaiting you in a buffet style line on tables by the shop, but one or two of the crops, like peas or tomatoes, will still be in the field for you to pick. By getting your hands dirty you will not only gain a better understanding of what it takes to grow delicious food but you are also directly helping the farm with your harvesting. Although everyone could benefit from playing a role in growing their own food this option is especially beneficial for families with kids. No time like the present to start their good food education!

The Market Option:

If you can't make it out to the farm, fret not; we will bring the food to you. Every Tuesday your shares will be available to pick up at the Bogert Farmers' Market. Just look for the Three Hearts Farm stand and we will have you come backstage to get your share. Bring your own bag and fill it up with your seasonal selection of delectable vegetables. If you want to avoid the crowd you can come before the market opens at 5. We will be there with your produce from 3:30-8 pm. After the Bogert Market closes for the season we will have a new in town pick up location for Full Season shareholders.
